The Access Provider may include omitted or miscalculated Access Charges from an earlier Invoice in a later Invoice or issue an Invoice for Access Charges which have not been invoiced provided that the Access Provider is able to substantiate the Access Charges to the Access Seeker and such inclusion, amendment and issuance is made within three (3) months from the end of the Billing Period for the Facilities and/or Services provided (MSA 5.11.16). Nevertheless, the Operators agree that if the omission or miscalculation is due to the Access Seeker under declaring or not declaring its actual number of Equipment or for any other reason thereby avoiding the additional Access Charges payable to the Access Provider, then the period of three (3) months above shall be extended to the time when the additional Equipment was/were added to the Site without notifying the Access Provider.
 - viii. For the avoidance of doubt, in the event the Access Provider fails, neglects or omits to submit

- ix. The demand or acceptance of the Access Charges and any other payment by the Access Provider after default or breach by the Access Seeker does not prejudice the exercise by the Access Provider of the powers conferred upon the Access Provider in this RAO or the Access Agreement and/or under law nor does it constitute an election by the Access Provider to exercise or not to exercise any of the rights, powers or privileges hereunder and/or under any law.
- x. - ii. For the purpose of clarification, the Security Sum does not relieve the Access Seeker from its obligations to pay amounts to the Access Provider as and when they become due and payable, nor does it constitute a waiver of the Access Provider's right to suspend, disconnect or terminate the Access Service due to non-payment of any sums due or payable to the Access Provider.
- iii. The Access Provider shall be entitled to revise the Security Sum in any of the following event:-
 1. at each subsequent anniversary from the Commencement Date;

 3. upon the provisioning of new or additional Access Service to the Access Seeker; or

If the amounts in the Invoices are disputed in good faith, this will not constitute a material change in circumstances for purposes of this Clause.subject to such revision shall be made only once in any twelve (12) months period.
- iv. Where the Security Sum is revised pursuant to Clause 11(d)(iii) above, the Access Seeker shall within five (5) Business Days from the written request of the Access Provider, deposit the new Security Sum with the Access Provider in the manner specified in Clause 11(d)(i) hereof.

- vi. On termination of this RAO or the Access Agreement or any SLO or AWO, the Access Provider shall refund to the Access Seeker the Security Sum for the respective Site and all amounts paid in advance to the extent that the amount (or part of the amount calculated on a pro-rata basis)

relate to the period after the date of effect of such termination unless otherwise agreed between the Operators or such Security Sum had been utilized or will be utilized to settle any outstanding sum to the Access Provider (MSA 5.14.9).

- vii. Notwithstanding the obligation under Clause 11(d)(vi) above, the Access Provider shall within two (2) months of termination of this RAO or the Access Agreement or the respective SLO, refund to the Access Seeker the relevant deposit paid provided all other amounts payable by the Access Seeker to the Access Provider have been paid and immediately upon termination of this RAO or the Access Agreement or the respective SLO, unconditionally waive any rights under any guarantees provided by the Access Seeker except in respect of amounts payable by the Access Seeker to the Access Provider as at the date of termination (MSA 5.14.10).

Once the Billing Dispute is resolved and if any amounts are then found in favour of the Access Seeker, the Access Provider is obliged to refund by way of a credit note of such amounts to the Access Seeker ("Refundable Amount") within ten (10) Business Days of the date of settlement of the dispute (MSA 6.12). Each of the Operators shall then appoint a designated representative that has authority to settle the Billing Dispute and that is at a higher level of management than the persons with direct responsibility for administration of this Agreement. The designated representatives shall meet as often as they reasonably deem necessary in order to discuss the Billing Dispute and negotiate in good faith in an effort to resolve such Billing Dispute within sixty (60) Business Days of the Billing Dispute Notice.
