

TENDER NOTICE

(Underground Utility Detection & Mapping)

PDC Telecommunication Services Sdn. Bhd. (PDC Telco), a subsidiary of Penang Development Corporation (PDC), is now expanding into Next-Generation Network to help future-proof Penang as a Knowledge Economy State.

In relation to the abovementioned, tenders are invited to quote rates for the provision of underground utility detection and mapping service for Penang Island & Seberang Perai.

Further information on the Underground Utility Detection and Mapping can be obtained from PDC Telco, and a copy of the Tender document can be inspected at the address listed below, Monday to Friday during working hours.

Surveyors interested in participating in this tender must be listed as Pre-Qualified UUDM Contractors with PDC Telco, and may purchase the Tender document at a non-refundable document fee of RM150.00 per copy by way of Postal Order or Banker's Cheque. However, as a pre-requisite, they are required to provide PDC Telco a photocopy of their certification with CIDB or PKK. Tender document can be purchased during working hours from 9.00am-5.00pm effective from **March 13, 2013**.

Tender applicants are required to submit together with their tender a Bank Draft for the amount of RM 5,000.00 payable to **PDC Telecommunication Services Sdn. Bhd.** for EACH tender as a tender deposit. The amount will be forfeited in the event that the tender applicant fails to stand by his tender but would otherwise be fully refunded.

The completed documents in a sealed envelope are to be dropped into the tender box at the address listed below not later than **12.00 noon on March 29, 2013**. PDC Telco reserves the right in the final selection.

All correspondence and submission must be sent to:
