

PRE-QUALIFICATION OF CONTRACTORS

(Telecoms Infra: Micro-Trenching)

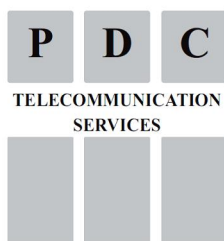

In order to help future-proof Penang as a Knowledge Economy state, PDC Telecommunication Services Sdn. Bhd. (PDC Telco), a subsidiary of Penang Development Corporation (PDC), will soon embark on the Next Generation Network state-wide.

We are now calling for companies experienced in Micro-Trenching work for telecommunications infrastructure to participate in the “*Pre-Qualification of Contractors*” for this fibre-optics network project.

Apart from the mandatory requirement for all trenching personnel to be certified by *Kolej Multimedia* as specified by industry regulator Malaysian Communications & Multimedia Commission (MCMC), PDC Telco imposes an additional requirement that the same personnel must also be certified by the *Duraline-Plumetazz Fiber Academy*, India.

In addition, participating companies are required to provide PDC Telco a photocopy of their certification with CIDB or PKK.

Further information on this “*Pre-Qualification of Contractors*” exercise can be obtained from PDC Telco, and a copy of the Pre-Qualification document can be inspected at the address listed below, Monday to Friday during office hours.
