

# PRE-QUALIFICATION OF CONTRACTORS (Underground Utility Detection & Mapping)

PDC Telecommunication Services Sdn. Bhd. (PDC Telco), a subsidiary of Penang Development Corporation (PDC), is now expanding into Next-Generation Network to help future-proof Penang as a Knowledge Economy state.

In relation to the abovementioned, PDC Telco intends to pre-qualify contractors for the Underground Utility Detection & Mapping (UUDM) component of the 'Common Trenching for Telecommunications Infrastructure' Project in Penang.

As a pre-requisite, contractors interested in participating in the Pre-Qualification exercise must possess the required competencies compliant to the MS 1759:2004 Standard and the Standard Guideline for Underground Utility Mapping 2006 released by the Department of Survey & Mapping, Malaysia.

A copy of the Pre-Qualification of Contractors (UUDM) document can be inspected, Monday to Friday during working hours, at
